

2 3 aa solar batteries

The 2/3 AA NiMH Button Top Battery is an excellent fit for these lights, providing a consistent power source that can be recharged using solar energy. Its compact size ensures it fits seamlessly into the design of solar lights, while its long ...

Can be used in any device accepting 2/3 AA batteries but you need to match the mAh rating to the correct batteries for your device in order to see correct performance or operation of your equipment. 150mAh - 600mAh Batteries are ...
