

# Arizer solo vaporizer battery life

How long does the arizer solo 2 last?

With three hours of battery life the Arizer Solo 2 beats even the Storz +Bickel Mighty by almost 10 sessions on average. That's a massively large battery capacity for a portable unit and makes the Arizer Solo 2 one of the best in its class. Charging the Solo 2 is a straightforward process that involves using an external DC wall charger.

How do I conserve the battery life of the arizer solo?

To conserve battery life, use the Arizer Solo in a temperature controlled environment and use the lower temperature settings. When outdoors, stay sheltered from the elements and avoid using in extremely cold temperatures. Charge the battery as necessary.

Is arizer solo 2 a good vaporizer?

With its super long battery life, glass mouthpiece and reputation for excellent flavor, the Arizer Solo 2 is an excellent vaporizer choice in the portable market. While it is bulky, its advantages outshine that in many circumstances. There are very few vaporizers that have an all glass vapor path.

Which arizer vaporizer should I buy?

Arizer also manufactures the Arizer AIR SE, a budget portable vaporizer that retails for \$124, and the Arizer AIR MAX which is a premium portable vaporizer with tons of power and a replaceable battery system. I have reviews for all of the vaporizers above and I will list them in the suggested reviews section of this Solo 3 review.

What temperature control does Arizer Solo 2 offer?

Arizer Solo 2 offers precise temperature control in one-degree increments. Both models have their respective strengths and features - Pax Plus has preset "Experience Modes for a seamless experience, while the Solo 2 offers a full digital screen and temperature control in one-degree increments.

What are the improvements in Arizer Solo 2?

The Arizer Solo 2 has better airflow, longer battery life, quicker heat up time, full digital temperature control and a slew of other features. Arizer has listened to the fans and the brand new Solo 2 has these improvements.

While the Arizer Solo isn't suited for discreet use or frequent pocket carrying, its power, precise temperature control, and long battery life make it a great choice for users seeking a reliable and high-quality alternative to stationary vaporizers.

The Arizer Solo 2 is a heavy hitting pocket vape with top notch vapor output and flavor, following the precedent set by the original Arizer Solo. The Solo II is controlled digitally through a crisp, clear LED display with single digit ...
