Why are energy costs so high in Portugal?

However, when compared to other European countries, energy costs in Portugal can be quite high. This is largely due to high taxes, which can quickly inflate your monthly bills. Costs can also spike during particularly hot or cold periods, as many Portuguese homes lack centralized heating and cooling systems.

Why is Portugal introducing dynamic electricity pricing?

The government has reduced VAT on basic electricity use to help offset high prices, and most components are clearly broken down on your monthly bill. Portugal is embracing dynamic pricing -- giving consumers more control and potential savings. Two types are available:
