Autoworld has a wide range of batteries available in all their branches across Zambia. You can find batteries in all Autoworld branches across Zambia. Batteries are charged and ready for installation by qualified staff. Autoworld are car and truck battery experts able to perform battery diagnostic testing in store.

Does Zambia need solar power?

Zambia has a high potential for solar power and the sector is growing. Right now, Zambia mainly depends on hydropower, but droughts have made this source less dependable. Combined with the increase in electricity demand, a new renewable source like solar power is desirable.

Is there a solar market in Zambia?

Yes, the Zambian solar market is growing. Although it is still relatively small compared to countries like Tanzania, there is much room for solar to grow due to the increasing electricity demand in Zambia. Currently, 95% of the electricity supply comes from hydropower, with less than 1% from other renewable sources.
