

Battery energy storage in mozambique

Will Cuamba solar deliver clean power to the Mozambican grid?

Mike Scholey, Globeleq's CEO remarked: "We are extremely excited to now have Cuamba Solar officially delivering clean power to the Mozambican grid via EDM and supporting both the local economy and the Government's efforts to build more renewable power.

Why should you invest in the Cuamba solar and storage plant?

"The Cuamba solar and storage plant will provide greater energy security and stability in this region of Mozambique and marks a turning point for the Cuamba district. Globeleq, Source Energia and EDM have all invested in this project - a public-private partnership that demonstrates the confidence of international investors in Mozambique.

How did pidg support a battery energy storage system?

PIDG's Viability Gap Funding grant facility provided US\$7million to support an affordable tariff, fund essential grid upgrades and an energy storage system for EDM. BII Plus, the technical assistance facility of British International Investment, contributed a US\$1million grant towards the battery energy storage system.
