Which is better Seiko or citizen?

Eco-Drive watches are known for their reliability which resonates well with customers. As far as the solar watch community goes, Citizen seems to be the more popular brand between the two. Obviously, the appeal of both watch lines lies with their solar-powered technology. Seiko uses the Solar designation while Citizen uses the Eco-Drive technology.

Are Citizen Eco-drives better than Seiko solar?

They have really concentrated on their eco-drive technology, whereas Seiko seems to have divided their R&D efforts between a small solar-power program and the kinetic-drive program. However, this doesn't necessarily mean that Citizen eco-drives will outlast or be more durable than Seiko solar models.

Should you buy a Seiko or citizen solar watch?

For longevity the overall quality of the watch will have a far greater impact and both brands have cheap and expensive light powered models with quality matching the price. Seiko's history with solar goes a long way back. Citizen was first out of the box with the Eco-Drive.

Does Seiko have a solar watch?

Seiko's history with solar goes a long way back. Citizen was first out of the box with the Eco-Drive. I have a very old Citizen titanium chrono that performs like a champ over the last 10 years. That was before Citizen put on a "winding" stem and you had to set the watch/alarm/chrono with a series of 4 buttons.

Are Seiko & Citizen batteries the same?

"No Desire to Acquire!" As far as the rechargeable batteries go; both Seiko and Citizen are likely using the same or similar ones from the same manufacturers so longevity will be about the same in a static situation. The solar cells will both be similar but likely are different enough to warrant patents.

What is the difference between citizen and Seiko solar?

The Eco-Drive was Citizen's 1990's breakthrough that placed the solar cells behind the dial, which put Citizen on a wide commercial market. On the other side, Seiko Solar line also improved over time, but its exquisite craftsmanship kept it reserved only for direct or sales through authorized dealers.
