

Casio solar battery

It's not different from other models; it uses a Casio solar-recharging system, which can be charged with the power of any light source, human-made, or natural sunlight, to ensure it can work well for its long battery life of 9 months when on ...

This lithium battery is rechargeable with solar power and it is a high quality replacement battery with a very long life. Some popular Casio models that use the CTL1616 are the Pathfinder, Waveceptor, Atomic and of course the widely ...
