

# China high quality solid-state batteries suppliers

Which is the best solid state battery manufacturer in China?

Compared to the current mainstream liquid battery, it has significant advantages in energy density, safety, charging rate and cycle life. The article will mainly introduce top 10 solid state battery manufacturers in China including WELION, QINGTAO, GOTION HIGH TECH, ProLogium, CATL, Inx, EVE, HYLIC, Ganfeng Lithium, FARASIS.

Who are the leading battery manufacturers in China?

China's CATL is the second largest battery manufacturer in the world and ranks number 1 battery manufacturer in China. The company plans to open mega factories in the future to support increasing global demand. BYD Co. is another leading battery company in China. 4. Loom Solar

Is there a solid-state battery in China?

BAIC New Energy launched a pure electric prototype with a solid-state battery system in July 2020, which is the first public drivable solid-state battery prototype in China.

What is a solid state battery?

A solid state battery is a battery that uses solid positive and negative electrodes and solid lithium ion battery electrolyte, does not contain any liquid, and all materials are composed of solid materials. Compared to the current mainstream liquid battery, it has significant advantages in energy density, safety, charging rate and cycle life.

Does Qingtao have a solid-state battery production capacity?

Many of its subsidiaries have won the national high-tech enterprises and Jiangsu Province double creation team and other awards. At present, QINGTAO already has 1.7GWh of solid-state battery production capacity, and plans to expand to 35GWh of production capacity by 2025.

What is a prologium solid state battery?

ProLogium solid state battery is known for its mass energy density of 383Wh/kg and volume energy density of 1025Wh/L, excellent cycle performance of more than 500 times, and has effectively solved the lithium dendrite problem, using all lithium metal negative electrodes.

ZYE is one of professional solid state lithium ion battery manufacturers and suppliers in China, specializing in providing high quality solid state lithium ion battery to meet your requirement. Additionally, we offer competitive pricing for ...
