

Covert solar panel battery

Every system Convert Solar installs has a bonus smart home monitoring system that comes with it to best utilize your module-level electronic solar system. This allows you, and us at Convert Solar, to view in real time your system status, its ...

Keep your camera's battery life strong with Covert's solar panel. Included in the box is everything you will need except rechargeable AA batteries. Always use rechargeable AA batteries in your camera when the solar panel is plugged in.
