

Deka solar batteries 8L16-deka puerto rico

What is a Deka 8L16 battery?

Deep Cycle Flooded DEKA 8L16 Battery. (Applications as marine, golf, industrial, special applications, solar and renewable energy) The DEKA 8L16 Flooded 6V Battery are built with more deep cycle power for longer times on the green.

What makes Deka 8L16 a good weld cover?

Hermetic cover to post seal prevents terminal corrosion. Strong, heavy-duty welds ensures critical user safety. Fortified, solid posts impede post damage, especially from heat. Reinforced polypropylene case and cover resists breakage under demanding use. Deka 8L16 Specifications: Warranty: 6 months

How long does it take for Deka batteries to ship?

The DEKA brand batteries have an approximate lead time of one week before they ship. Even if you select one of the expedited shipping methods, the batteries will not ship to you until we receive them. The batteries will then ship from our warehouse using the method you selected. Please email us or give us a call if you have any questions.

The 8L16-DEKA flooded battery is made with long-lasting epoxy coated steel trays and is thermally sealed from cover to container. It features high capacity flat plate cells with a cycle life of 1500 cycles @ 80% DOD or 4000 cycles @ 20% ...
