What is a container home?

Each container home is built to meet the highest industry standards, from expandable homes to modular commercial spaces. Whether you're looking to create a unique living space, a functional office, or a mobile worksite solution, our skilled team and advanced technology are here to make your vision a reality.

What is a modular container house?

Achieve versatility and efficiency with Modular Container Homes. These customizable, quick-to-assemble homes suit a range of applications, making them perfect for both residential and commercial spaces. Enjoy unmatched portability with Folding Container Houses.

How can a mobile energy storage system help a construction site?

Integrate solar, storage, and charging stations to provide more green and low-carbon energy. On the construction site, there is no grid power, and the mobile energy storage is used for power supply. During a power outage, stored electricity can be used to continue operations without interruptions.

What can container homes do for You?

Set up versatile and reliable spaces for healthcare services, from mobile clinics to hospital extensions, with container solutions ready for any location. Provide secure, comfortable, and transportable housing for military and defense needs with container homes designed for durability and rapid deployment. What Our Customers Say!

Who is custom container living?

Founded by Robert Wagoner in 2015, Custom Container Living is dedicated to delivering exceptional, environmentally conscious homes. From solar power integration to innovative water systems, our homes are designed to help you reduce your reliance on external resources and thrive off the grid.

Are container homes durable?

Each container home is crafted from high-quality, durable materials, including steel for the main structure and eco-friendly insulation, ensuring long-lasting performance and comfort. Are your container homes weather-resistant? Can I customize the design of my container home? How long does it take to deliver and install a container home?
