Where can I buy a battery for a Scubapro Galileo?

I posted a thread with lots of details here: Scubapro Galileo Luna Or Sol Transmitter Battery Right now the batteries for the transmitter are on Amazonfor \$7. Amazon.com: Buying Choices: OmniCel ER14335 3.6V 1.65Ah 2/3AA Lithium Button Top Battery When the jaws open wide,and there's more jaws inside That's a moray.

How to fix Galileo system cleaner?

Galileo System Cleaner has changed your Windows registry settings so that when you try to run a executable file (ending with .exe ) ,it will instead launch the infection rather than the desired program. Download the registryfix.reg fileto fix the malicious registry changes from Galileo System Cleaner.

How much is a Uwatec Galileo TX worth?

If you're willing to wait for shipping, I found the tx on a British site for 182 British pounds here: Uwatec Galileo Sol Transmitter | Dive Computer Accessories | Deep Blue Dive Exchange rate right now is 1gbp = 1.22 USD so it should be \$222.04USD if I did the math right.

The Battery kit contains all you need to self change the battery in the Scubapro / Uwatec Galileo Luna and other Galileo family dive computers. This is an easy, dive computer battery to change simply unscrew the cap with the tool provided ...
