

Government procurement price of VRFB energy storage in Singapore

Why did Enterprise Singapore support vflowtech?

Mr Geoffrey Yeo, Assistant Managing Director, EnterpriseSG, said, "Enterprise Singapore is happy to have supported VFlowTech in the development of its innovative battery energy storage solution, leading to this latest milestone for large-scale deployment at Advorio's terminal.

Will JTC scale up VRFB on Jurong?

The pair said this week that they have signed an MoU with JTC, a Singapore government corporation which oversees industrial land use, to scale up the existing VRFB system on Jurong to around 40MWh capacity from just over 1.5MWh today.

What is energy storage systems for Singapore?

Energy Storage Systems for Singapore 3.1 ESS has unique characteristics as it can act as both a load and a generator, allowing it to time-shift energy by charging and storing energy, and discharging the energy later when required. Depending on the technology and characteristics, ESS can provide short or sustained response. The mai
