Why is Sahara a key shareholder in some African refineries?

Sahara is a key shareholder in some African refineries, some of which include; Societe Ivoirienne de Raffinage (SIR), Societe Africaine de Raffinage (SAR) refinery to mention a few, facilitating the refining of its own crude oil in order to capture the full value of the product transformation.

What has stood out for you the most at Sahara?

What has stood out for me the most is the Sahara DNA that flows through all Saharians regardless of position, country of operation or department. Working at Sahara has been quite exciting and greatly insightful. My enthusiasm for growth has been met with overwhelming support and opportunities to develop in more ways than I could ever imagine.

What is Sahara Group Foundation?

This is achieved through Sahara Group Foundation - the vehicle for the Group's Personal and Corporate Social Responsibility (PCSR) initiatives. The activities of Sahara Group Foundation are aimed at empowering the communities where we operate in a sustainable, transparent, and efficient manner. The Sahara experience is a unique one.
