

Solar charger for trailer winch battery

Solar charger would be fine as a trickle charger to keep it topped off when not in use. But they are going to do little to provide a charge when you are using it. If you have a 7 pin connector there is a battery terminal in the ...

With patented Pulse Technology, it prevents sulfation--the #1 cause of battery failure--extending battery life up to 3X. Ideal for cars, trucks, RVs, tractors, and boats, the SP-7 is built tough for all-weather use and ensures your batteries ...
