

# Solar panel cost per kwh for homeowners massachusetts

How much do solar panels cost in Massachusetts?

As of February 2025, the average solar panel system costs \$3.12/W including installation in Massachusetts. For a 5 kW installation, this comes out to about \$15,598 before incentives, though prices range from \$13,258 to \$17,938. After the federal tax credit, the average price drops by 30%. You'll probably pay even less than what we show here.

How much does a 5 kW solar system cost in Massachusetts?

While a 5 kW system will only cost you \$15,598 in Massachusetts, doubling the system size effectively doubles the price, so you'll pay about twice that for a 10 kW system. The higher the price tag, though, the more you'll get back as a credit towards your federal tax bill. Are solar panels worth it in Massachusetts?

How many solar panels are there in Massachusetts?

Massachusetts has nearly 150,000 solar panel installations. 24.48% of Massachusetts electricity comes from solar energy. Solar jobs account for over 11,000 positions in Massachusetts. The state has invested \$9.9 billion into solar. The cost of solar panels has fallen by 42% in the last decade.

Are solar panels tax deductible in Massachusetts?

The state of Massachusetts also offers its own solar tax credit. The Massachusetts solar tax credit is equal to 15% of solar installation costs, up to \$1,000. Are solar panels worth it in Massachusetts in 2025?

What solar incentives are available in Massachusetts?

Solar incentives in Massachusetts, and across the nation, can help you cut costs on your solar system. The federal solar tax credit offers a 30% rebate on the cost of your panels through 2032 before dropping to 26% in 2033, 22% in 2034 and ending in 2035. On top of this, Massachusetts offers a 15% rebate of up to \$1,000.

How can I save money on solar panels in Massachusetts?

If you use less electricity, you need fewer solar panels, making the whole system cheaper. Use incentives: Massachusetts has multiple local incentives and programs. Additionally, some solar panel manufacturers offer rebates on their products. While these aren't specific to Massachusetts, they can still provide additional savings.
