

Solar water pump with backup battery

What sets this water pump apart is its backup battery functionality. Equipped with a built-in rechargeable battery, it stores excess solar energy during the day, allowing the pump to operate even in low-light conditions or during cloudy days.

The Solar Water Pump with Backup Battery is a testament to your commitment to sustainability and eco-conscious living. Embrace the power of the sun and bring life to your birdbath, fountain, or small pond while reducing your environmental ...
