

Successful bid price of household energy storage project in Poland 2026

Which energy storage projects are being built in Poland?

It also has other wind, solar and energy storage projects in development and construction phase with a total capacity of over 1 GW. The Polish unit of France's EDF Renewables has acquired a 120 MW battery energy storage project in Poland, its second in the country, local media reported.

How will energy storage facilities benefit Poland's energy mix?

Energy storage facilities will ensure the flexibility and reliability of the grid, supporting the integration of renewable energy generation in the Polish energy mix, Chilinska-Zawadzka added. The company has been operating in Poland for 13 years and has already built five onshore wind farms.

Will energy storage systems projects be subsidised under the National Recover & Resilience Plan?

The call for proposals of projects to be subsidised under the Energy Storage Systems scheme financed from the National Recover and Resilience Plan opened on 17 February 2025. More »

Is EDF renewables launching a battery energy storage project in Poland?

A year earlier, EDF Renewables bought its first battery energy storage project, of 50 MW, in Poland which is to be commissioned in early 2026. In mid-December last year, the project won a 17-year secured capacity contract at the auctions held by Poland's transmission grid operator.

Why should you invest in Bess in 2024?

The exhibition showcased a range of innovations, from advanced photovoltaic systems to cutting-edge energy storage technologies, reflecting the dynamic growth of the renewable energy sector. The activation of Poland's Frequency Containment Reserve (FCR) market on June 14, 2024, has markedly enhanced the attractiveness of BESS investments.

How much zloty will be provided in 2026?

The call for proposal's budget is 893,460,000 zloty. The aid will be provided in the form of subsidies of up to 45% of eligible costs which may be spent by 30 June 2026 at the latest. Proposals may be submitted until 14 March 2025.
