

# Successful bid price of industrial battery cabinet project in Philippines 2025

What are the key players in the Philippines battery scrap market?

As the focus on sustainable practices intensifies, the Philippines battery scrap market is anticipated to gain traction. Key players in this market, including EcoBattery Recyclers, GreenScrap Solutions, and RenewTech Industries, are expected to play a pivotal role in promoting battery recycling and resource recovery.

What is Scatec Asa's joint venture with Aboitiz Power?

Oslo, 17 February 2025: Scatec ASA's joint venture with Aboitiz Power in the Philippines has reached financial close and prepares for construction start of the 16 MW Magat (phase 2) and 40 MW Binga battery energy storage systems (BESS).

How will the new BESS projects impact the Philippines?

"We are very excited to start construction of the new BESS projects in the Philippines. With the new batteries we will more than triple our storage capacity to 80 MW, increasing the value of our hydro power plants and strengthening our position as a leading provider of ancillary services in the country.
